

# GRATITUDE

A Garnet Health Foundation Newsletter

Please consider supporting the **31 for 31 Fundraising Run** to help raise vital funds for the Neonatal ICU at Garnet Health Medical Center. (Read more on page 17.)

Garnet Health Medical Center hosted a special presentation for a child in our community. NYS Assemblyman Brian Maher, and staff from the Larkin Task Force and the Garnet Health Foundation met to present a custom-made tricycle to the child. The Garnet Health Foundation successfully applied for an Encourage Kids Foundation grant to fund the tricycle on behalf of the Larkin Task Force.

# Dr. Luz M. Ricardo-Torres PT, DPT & Resorts World Catskills Honored at Garnet Health Foundation Gratitude Reception

---

The Garnet Health Foundation's Annual Gratitude Reception celebrates philanthropy in our region. At the October reception, we honored our generous donors and the extraordinary difference their contributions make every day. The power of giving continues to shape the future of patient care by strengthening vital programs and services, funding essential equipment, and ensuring every patient and family receives the compassionate care they deserve.

This year, Dr. Luz M. Ricardo-Torres, PT, DPT, a beloved Garnet Health employee, was honored with the Volunteer Philanthropy Award. Presented by former board member and grateful patient Dr. Bill Bassett, the award recognized Dr. Ricardo-Torres' exceptional dedication to stewarding gifts from her grateful patients with grace, humility, and heartfelt commitment.

Resorts World Catskills was presented with the Corporate Philanthropy Award in recognition of its remarkable support of the community. Together with its foundation, RW Gives, the organization contributed more than \$500,000 to local nonprofits last year alone—demonstrating an extraordinary commitment to strengthening the region.

On behalf of the patients and families we serve, know that we are grateful for your trust and support. Thank you for your unwavering generosity!

## Jason Giordano

As we head into 2026, I am so grateful for the opportunity to welcome our new Garnet Health Foundation team members, and congratulate a dedicated colleague on her promotion.

Pam Yosh, who worked for 11 years alongside our former foundation president, Bill Dauster, has been promoted to the presidency following Bill's retirement. She and Bill worked side by side to grow the foundation into a \$15 million operation while providing the hospital with over \$11 million in support. They positioned the Annual Resorts World Garnet Health Golf Classic as the best in Orange County, and introduced our successful sporting clay event.

Joining our team are Jackie Perez, director of philanthropy, and Megan Evans, manager of philanthropy for Garnet Health Foundation-Catskills. Both bring valuable experience and reach within Orange and Sullivan counties. We are so pleased to welcome such local influence and talent to the Garnet Health Foundation.

Thank you for your continued support and confidence. Please join me in congratulating this team and standing behind its important work in support of our community hospital.

The Allyson Whitney Foundation donated cancer care bags to Spagnoli Family Cancer Center patients. Angela Rein and Amie Akerley of Resorts World Catskills, an ambassador for The Whitney Foundation, presented the bags to Spagnoli Family Cancer Center Manager Jessica Gerlach. "This gift will provide some comfort to our patients as they navigate sometimes exhaustive treatment," Jessica said. "To know that there are donors like The Allyson Whitney Foundation supporting our patients is so encouraging."

The Spagnoli Family Cancer Center received two handcrafted quilts, a summer project created by students Marleah Vanderhoof and Katheryn Blough. The quilts will be given to cancer patients.

These "boo-boo bunnies" from the Mulberry House Senior Center Crafters Group are ready for outpatient phlebotomy staff to fill with ice cubes, providing comfort to patients after a needle draw.

Johnstons Subaru owner Steve Jardine and General Manager Christopher Lee delivered enough fuzzy blankets to fill two Subarus. Minutes after the photo was taken, a patient reached for a blanket and hugged it with her eyes shut. It was a moment of comfort in a room of patients facing difficult treatments.

Youth Against Cancer, an extracurricular club at Minisink Valley High School, donated over \$800 to the Spagnoli Family Cancer Center. Club President Heather Day is pictured here presenting the check to Jessica Gerlach, Kaitlin Trainor, and Tanya Camacho. The students raised the funds through a coin drop and by selling pink gear during Breast Cancer Awareness Month.

# Jonathan Schiller

Thank you for another terrific philanthropic year. After an extensive search, we are pleased to announce the promotion of Pam Yosh as the new president of the Garnet Health Foundation. Many of you have come to know Pam during her 11 years as our director of development, a time in which she consistently proved her dedication to our foundation and health system.

As news of our affiliation with the Montefiore Health System reaches you, please know how proud I am of all we have accomplished in keeping quality healthcare close to home. This affiliation strengthens our position and will expand access to specialty care for our patients.

The Garnet Health Foundation remains strong and robust, led by a dynamic board of trustees. The bedrock of community support and philanthropy is trust—and the understanding that every gift stays local to help our families, friends, and neighbors. As a separate 501(c)3 organization, the foundation will continue to provide support for programs and services to improve patient care and experience in our community.

Sending my best wishes to each of you for a happy holiday season and bright New Year.

Jonathan Schiller, MS, FACHE  
CEO, Garnet Health

# Garnet Health Auxiliary

The Garnet Health Auxiliary partnered with the Montgomery Volunteer Ambulance Corp to sponsor Pocketbook Bingo at the Montgomery Senior Center. More than 120 players participated in the event, raising over \$10,000 for the two organizations.

Auxiliary President Maureen DeStefano said, "We are so pleased with the community response to this first-time event and are so grateful for the volunteers who helped make it such a great success."

# Gift of Life Insurance

Gerald (Jerry) Skoda, former board chair, affiliator, benefactor, and current farmer, has dedicated his career to strengthening Sullivan County through agriculture, education, and community service.

Jerry embodies the spirit of planning for the future, both for his family and for his community. His thoughtful gift of life insurance reflects that same foresight and generosity, ensuring his legacy of care continues to make a difference for generations to come.

This contribution is a prime example of planned giving, a strategic way for donors to make a lasting impact on the Garnet Health Foundation's future.

# The 2025 Catskills Golf Classic: 46 Years of Enhancing Patient Experience

Garnet Health Foundation – Catskills thanks everyone who supported its 46th Annual Golf Classic for Garnet Health Medical Center – Catskills on July 16, 2025, at Tarry Brae Golf Course in South Fallsburg, N.Y. A special thank you to our premier sponsors—Garnet Health – Catskills Medical Staff, Achieve Rehab and Nursing Facility, and SCP Health—as well as the 106 golfers who participated in the event.

This year we raised over \$90,000! All proceeds benefit the Patient Experience Fund at Garnet Health Medical Center – Catskills.

The Patient Experience Fund supports patients and their families when they need it most by reducing stress related to basic needs and contributing to overall healing and wellness.

We are grateful to the many volunteers, participants, sponsors, and the entire Sullivan County community for making this event a success.

## ONCOLOGY GARDEN

Garnet Health Medical Center – Catskills held a ribbon-cutting ceremony this year for the re-established Oncology Garden. The garden stands as a living tribute—a reflection of the compassion, warmth, and dignity we wish to honor in oncology nurse Minnie Washington. Through this space, we continue to celebrate Minnie's legacy and the enduring spirit of care that defines our oncology team.

The garden will serve not only as a tribute to our former colleagues but also as a place of comfort and reflection, a quiet corner where patients and families can sit, relax, or simply pause as they wait for a ride home.

98.3 WSUL's Heart-A-Thon Committee Chair Les Kristt and Bold Gold Media Group General Manager Dawn Ciorciari presented a \$50,000 check to Garnet Health Medical Center – Catskills. The funds were from the proceeds raised during this year's 47th Annual WSUL Heart-A-Thon, held Feb. 21 at Resorts World Catskills.

Ladies Ancient Order of Hibernians (LAOH) Division 6 of Orange County donated 200 stuffed bears wrapped in handcrafted blankets. New York State LAOH President Terry Meyer delivered the bears with fellow LAOH member Ann Pirock. The "Bears Wrapped in Love" project originated in Orange County, with donations coming from LAOH members across the state.

Garnet Health Medical Center – Catskills, Callicoon Campus is a proud recipient of a \$100,000 grant from NYS Assemblymember Paula Kay to fund bathroom and shower renovations. We thank Assemblymember Kay for her time, effort, and dedication to supporting Garnet Health Medical Center – Catskills.

PetSmart donated new stuffed animals to the Garnet Health Foundation. Bags full of bears have been distributed to departments ranging from urgent care and same-day surgery to diagnostic imaging and phlebotomy. PetSmart has supported the foundation with these donations for several years.

Mulberry House Senior Center Crafters Group donated crafted "boo-boo bunnies" and newborn caps. Julisa Sierra was joined by Baby Ramachandran and members of the group. # Garnet Health Foundation 34th Annual Golf Classic

More than 220 golfers participated in the 34th Annual Garnet Health Golf Classic, held on Sept. 15, 2025 at Resorts World Catskills, the event's Exclusive sponsor. The outing was a major success, raising over \$225,000 for Garnet Health. The tournament featured two golf flights, and was generously supported by Lead sponsors SCP Health and AJ Gallagher.

A dedicated team of volunteers managed the complex schedule and activities to ensure the event's success. The volunteers included Pam Hall, Jacqui Budakowski, Joyce Timko, Jessica Gerlach, Lauren Frances, Kathy Goulden, Jennifer Malinchak, and Charlotte Durma. Garnet Health board member Jay Anthony and Garnet Health Foundation board members Kathy Goulden, Stacey Blustein, and Stefania Riccitelli were also among the active volunteers and organizers who made this event successful. # Meet the Garnet Health Foundation

*Pictured L-R: Jackie Perez, Pam Yosh, Megan Evans*

## PAM YOSH

As president of the Garnet Health Foundation, Pam collaborates with members of the internal and external communities to enhance and educate on the power of philanthropy. With more than 30 years of nonprofit experience, in her 12th year as director of philanthropy at Garnet Health Foundation, Pam has worked in higher education and health care in Boston and New York.

She is an Emerson College alumna, classes of '91 (Bachelor of Arts) and '97 (Master of Arts), and is especially proud of her SUNY Ulster Journalism degree, where she got her first taste for governance as the elected student trustee. Pam lives in Beacon, N.Y. with her husband, John Connolly. She is an avid reader and manages a lending library in the Garnet Health Foundation suite for the Garnet Health community.

## JACKIE PEREZ

Jackie Perez serves as director of philanthropy at Garnet Health Foundation, leading major gifts, donor stewardship, strategic partnerships, and fundraising initiatives that support Garnet Health's hospitals, programs, and services throughout the region.

With more than 25 years of leadership in sales, customer relationship management, and fundraising, Jackie is driven by a genuine belief in mission-centered work. That conviction, paired with her expertise in building lasting relationships, has consistently delivered strong philanthropic results across the Hudson Valley and beyond.

A proud Leadership Orange graduate, Jackie resides in Sugar Loaf, N.Y., where she serves as treasurer of the Sugar Loaf Community Foundation and remains deeply engaged in local civic and community efforts.

## MEGAN EVANS

Megan Evans is the manager of philanthropy at the Garnet Health Foundation – Catskills. In this role she oversees fundraising campaigns and events, cultivates donor relationships, and strengthens community partnerships.

Megan brings extensive experience in nonprofit management and community engagement to her new position. She began her career at Bethel Woods Center for the Arts in 2016, serving first as manager of volunteer and community engagement before advancing to manager of events and special projects.

She holds a Bachelor of Arts in Sociology from the University at Albany and is a Sullivan County, N.Y. resident.

# 31 for 31 Fundraising Run

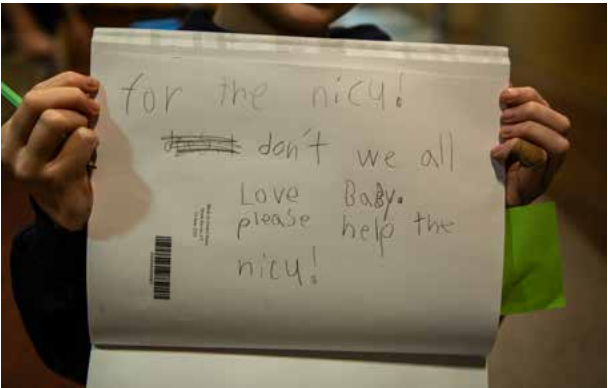

---

31 for 31 is a fundraising run created to support the Neonatal Intensive Care Unit (NICU) at Garnet Health Medical Center in Middletown, N.Y.

On March 31, 2026, grateful father David Anderson will attempt to run 31 miles in honor of his daughter, who was born at Garnet Health Medical Center at 31 weeks' gestation and received life-saving care in the NICU.

"This fundraiser is my way of giving back to the unit that provided exceptional, life-saving care to my daughter," said Anderson.

Sponsorship opportunities are available, with all proceeds supporting the NICU's mission to deliver critical care to premature and medically fragile infants and their families. Funds raised will be used to upgrade essential equipment within the unit.

## How to Support:

Please consider supporting David's 31-mile run and helping raise vital funds for the Neonatal ICU at Garnet Health Medical Center.
